Dear George:

I hope that you will
pardon me for not
writing excepting
when I am asking a
favor, but the situation
is such that I hardly
have time for anything
other than my studies.
as well as I like
football games and other
social affairs, I have
been obliged to pass up
several of them even
though I have free student
tickets. My studies keep
me up until one and

two o'clock every night. Then, I have the responsibility of working at least two hours a day on my 7.30 a. job as Teacher and principle of evening school. So you can see that I have a plenty to keep me busy.

With regards to the type writer, I would like to have it, because most of my teachers require my papers to be typed and the price for having this done averages about 7¢ for each page of work.

your problem of crating it might be solved by checking the phone directory for typewriter dealers.

Then, if you will measure the length, width, and height of the typewriter, you may find a dealer who has a crate that will fit it at a small cost.

If you ship it by American Railway Express, that company will come and pick it up from home, ship it, and deliver it to my address here. No big hurry, but I will need it, and a pair of pliers.

Another thing, I am getting
\$25. a month on N. Y. A. My
check will be in about
the 12th of each month.
Time goes in on the 31st and
checks are made out at
the state capital, Lansing,
Mich. usually within
the next two weeks. That
25 is not enough to cover
expenses. I will pay
room & board but no
more. Therefore, I'll
need \$10. about the 1st of
every month for laundry,
hair cuts, toilet articles and
such incidentals as paper,
materials etc. I'll need
that amount in order to stay
in school, retain my health, &
decency. I'll need some by
Monday, the 1st. by some arrangements
on another. — closed.
