This Front Matter is brought to you for free and open access by the Law Journals at University of Missouri School of Law Scholarship Repository. It has been accepted for inclusion in Missouri Law Review by an authorized editor of University of Missouri School of Law Scholarship Repository. For more information, please contact bassettcw@missouri.edu.

EDITORS' NOTE

This issue contains an analysis and discussion of Article 2 (Sales), Article 5 (Letters of Credit), Article 7 (Warehouse Receipts, Bills of Lading and Other Documents of Title) and Article 8 (Investment Securities) of the Uniform Commercial Code as enacted in Missouri to take effect on July 1, 1965. Emphasis is placed on Article 2 because Missouri has not previously codified its sales law.

The Fall 1964 issue covered the remaining articles—3, 4, 6 and 9—with emphasis on Article 9 (Secured Transactions).

The Code section Cross Reference Table beginning on page v provides a method of quickly locating any discussion on a particular Code section. The table includes the Fall 1964 issue, also.

We have cited the official statutes—RSMo 1963 Supp.—whenever possible. *Uniform Commercial Code, 1962 Official Text with Comments*, published by The American Law Institute and the National Conference of Commissioners on Uniform State Laws, is cited UCC (1962) with a section number whenever the “official comments” are cited.

The general and specific repealer sections are not incorporated into RSMo by the Revisor of Statutes. Therefore the provisions are cited to Mo. LAWS 1963.
