Do You Know?

SHEPARD'S CITATIONS TO CASES

Readily Provide You With

1. Cross references to the cited case as elsewhere reported.
2. Affirmances, reversals, dismissals and modifications of the cited case by state courts and the United States Supreme Court.
3. References to any case overruling the cited case and to cases connected or parallel to the cited case.
4. In all editions, fully analyzed citations by the federal courts.
5. In every state edition, fully analyzed citations by courts of that particular state to which that edition relates.
6. Citations in most state editions to cases reported prior to the National Reporter System as cited in all units of the Reporter Series.
7. In addition to the coverage outlined above the citations to cases in the Shepard units for the National Reporter System also show citations to each case from all other state cases in every unit of the Reporter Series.
8. Citations in American Law Reports annotations and in articles in law reviews and bar journals.

In such manner, the more than seventy editions of Shepard's Citations indicate the judicial history and later treatment of every case decided by any court of appellate jurisdiction located anywhere in the United States.
