# Big town trust service to Missouri towns. Big or small.

The Commerce Bancshares Family of banks offers statewide Trust services to help Missouri attorneys with their Trust and Estate problems. Working with 150 trust specialists brings a new concept in estate handling to lawyers through the state.

It's a simple fact that most small banks simply cannot justify the expense of providing adequately trained personnel to handle trust matters for their customers.

So, these customers must seek help from

some big city trust department where they are unknown.

This is not the case with the banks in the Commerce Bancshares family. No matter how small. Now, each bank is backed by the full team of trust specialists from among all the affiliated banks, who are always ready to serve you and your clients.

The Commerce Bancshares family of banks brings big town assistance to your trust problems, big or small. To your town, big or small.
